

## Section C Product Specific Information:

Provide the requested product specific information and answer the questions related to the products listed in **Section B – Product Information** of the **Coding Verification Review Application**.

### Therapeutic Inserts and Shoes

#### Therapeutic Inserts (prefabricated) for Diabetics:

Is the insert molded directly to the beneficiary's foot immediately following the use of an external heat source (excluding heat sources commonly used as commercial hand-held hair dryers) that can produce heat at temperatures of 230°F or greater?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the insert molded by use of "compression molding" (molding via the beneficiary's weight and body heat) without the use of an external heat source?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Provide the Shore A durometer measurement of the base material (for requested code A5512):	

#### Therapeutic Inserts (custom molded) for Diabetics

Is the insert molded directly to a physical positive model of the beneficiary's foot?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the insert direct carved/milled from a rectified virtual model of the beneficiary's foot?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Provide the Shore A durometer measurement of the base material (for requested codes A5513 and A5514):	

Step-by-step description of the fabrication process **MUST** be provided. Include color photographs of each step within the fabrication process.

#### Therapeutic Shoes (prefabricated) for Diabetics:

Are there 3 or more widths available for the product?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Do the shoes come in half sizes?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the shoe made from leather or other suitable material of equal quality?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Does the shoe have some form of closure?	<input type="checkbox"/> Yes <input type="checkbox"/> No

#### Therapeutic Shoes (custom molded) for Diabetics

Is the shoe molded directly to a positive model of the beneficiary's foot?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the shoe made from leather or other suitable material of equal quality?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Does the shoe have removable inserts that can be altered or replaced as the beneficiary's condition warrants?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Does the shoe have some form of closure?	<input type="checkbox"/> Yes <input type="checkbox"/> No

Step-by-step description of the fabrication process **MUST** be provided. Include color photographs of each step within the fabrication process.
