

PCL Crosswalk: Hydrophilic Intermittent Urinary Catheters

NOTE: The product information detailed below will be cross walked on the PDAC product classification list (PCL) to the HCPCS code listed in the last column as of January 1, 2026.

This list represents a complete listing of all known Hydrophilic Intermittent Urinary Catheters currently on the PCL.

Additional updates may occur prior to December 31, 2025.

Manufacturer/ Distributor Name	Product Name	Model Number	Current HCPCS Code	Effective Begin Date	HCPCS Code (Effective 1/1/2026)
